

Maxim Mocha Gold Mild Coffee Mix

TAE WON ENTERPRISE

We are...

We are one of the leading firms in South Korea that specializes in exporting the High quality 3 in 1 instant coffee. We are the members of the chamber of commerce & industry of Korea and the Korean Traders Association.

We are specialized in exporting the instant coffee. Our coffee, Maxim Ad Mocha Gold Mild Coffee Mix, is the first ever instant coffee in Korea that came to exist in 1970. Since then Our coffee was and is the top leading brands in Korea and neighboring countries as well. Our instant coffee is the most trusted coffee of Koreans.

Our Coffee...

Maxim ad Mocha gold mild coffee mix is a stick-type coffee mix that can be enjoyed **anytime, anywhere** with its sweet and gentle coffee flavor and aroma.

Our coffee **satisfies** consumers who desire a **high-quality** yet mild coffee.

Maxim captures the essence of coffee with an abundant flavor and optimal coffee flavor that is neither too rich not too light but **just right!**

With the inclusion of the **world's highest-quality, pure plant-based coffee creamer**, our coffee is best known for its abundant aroma and flavor.

The hidden secrets of our coffee...

The Golden Mix Ratio:

Continuous research and surveys have discovered the golden ratio for coffee, plant-based creamer, and sugar! And that is the very special secret of the newly improved Maxim Gold Mild Coffee that no competitor has been able to imitate.

Hidden Technological knowhow

Our coffee professionals use unique technology to optimally collect and combine the substances responsible for coffee's core aroma.

The Golden Ratio for Coffee Beans

Our coffee blends arabica beans from **Columbia**, **Honduras** and **Peru** for a rich and abundant aroma. In particular, the golden ratio by blending Columbian beans produces a softness and coffee essence that is loved by everyone and everywhere.

Uses Natural Casein

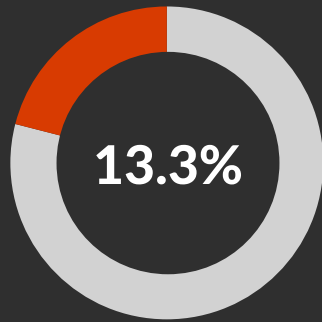

Natural Casein is made up of 80% milk protein and is considered a pure portion. It is widely used in infant formula, baby food, and health foods as a prime source of protein. Our coffee uses casein to ensure your health.
